Zichen Deng – Résumé

Address	Department of Economics	**Mobile Phone**	+31 061 283 5067
	De Boelelaan 1105	**Email**	zichen.deng@vu.nl
	1081 HV Amsterdam	**Homepage**	dengzc.github.io
Date of Birth	25th February 1989	**Nationality**	Chinese

Research Interests

I work on empirical questions in health, development economics and also have a strong interest in econometric issues motivated by empirical work.

Education

2016- PhD candidate in Economics - Vrije Universiteit Amsterdam and Tinbergen Institute

2016 MPhil in Economics - Vrije Universiteit Amsterdam and Tinbergen Institute

2014 MA in Economics - Shanghai University of Finance and Economics

2009 BA in Economics - Wuhan University

Job market paper

[1] The Power of Information in Combating Pollution: evidence from monitors in Chinese cities
with Sebastian Axbard, Queen Mary, University of London

Working Papers

[1] A Bit of Salt, A Trace of Life:
gender norms and the impact of a salt iodization program on human capital formation
with Maarten Lindeboom, Vrije Universiteit Amsterdam; under review
Winner of the **1st prize** for best paper at the Essen Health Conference 2018, May 2018.

[2] Data Combination using Heterogeneous Samples:
with an application on long-term effects of early-life undernutrition
with Maarten Lindeboom, Vrije Universiteit Amsterdam

[3] Job Search, Liquidity Shock and Post-match Quality of Rural to Urban Migrants in China
with Yuanyuan Chen, Shanghai University of Finance and Economics
forthcoming in Journal of Labor Research

Research in Progress

[1] Identifying Misclassification Errors in Self-Reported Health using Vignettes

[2] China's Engagement with the African Continent
